

## **Safety Guidelines and Regulations Cartoon**

In this assignment you will create a cartoon strip which displays someone NOT following the safety rules of the lab. Your cartoon should have the following:

1. At least 8 boxes (You can have more)
2. Discuss at least 8 safety rules from your handout
3. Display what the character does wrong, then correct them, let me know what they should have done.
4. Coloured and titled.

This assignment is out of 25.
